Please take a few minutes to choose the committees that interest you and complete the form, or online signup by Friday, August 27<sup>th</sup>. Dues can be returned to school in the envelope provided. We ask that every family volunteer for at least one H&S Committee. Of greatest need this year are volunteers to chair Halloween Bazaar, Teacher Appreciation Week luncheon, Popcorn Sales, Church Cleaning and Faculty Birthday committee. These new chairs will collaborate with the former chairs during 2021-2022.

ALL adults **MUST** complete **Safe Environment Training** in order to participate in activities that involve contact with students. Everyone's safe environment is expired at this point. Please see the school website for a Safe Environment brochure and volunteer form.

Our **Spirit Shirts** are **LIME GREEN** and may be purchased on the attached order form. Students wear spirit shirts on field trips and specified days throughout the year. The first spirit shirt day is 8/27/21. An order form is included in this packet with the options of dri-fit or cotton. Following receipt of the order form, the t-shirt will be placed in your child's backpack by the volunteers on the committee within 1-2 weeks. Order forms and pictures of spirit items may also be found on the school website.

H&S is also selling St. Genevieve cotton **face masks (\$6)** and **lanyards (\$4)** and may be ordered using the attached form. Please note that St. Genevieve logo masks and lanyards are *not* required per school policy; students may wear masks and lanyards of their choice.

Wishing you all a beautiful year filled with God's grace,
